HARDWOOD LEAVES

In traditional tables, leaves are additions that increase the length of the table.

Geekson leaves create a protective top surface that covers over the depth of your table.

LIDS AND INSETS

These one-piece, lightweight, replaceable (not refinish-able) surfaces that are used for card games, dice games, games with chips and tiles, or any game that requires a little friction to keep the game pieces in place. LIDS sit on the same ledge that your hardwood leaves rest on. INSETS rest on the acrylic layer down inside the Game Vault. We offer a variety of fabrics - Baize, Stretched Velveteen and Velvet in various colours.

Price range (size and fabric variable) £150 - £540
