DRAWERS AND SOUND SYSTEM

The Henry table brings you a first in Game/Dining tables, 3 Bluetooth speakers built into the table base. These powerful speakers offer fantastic sound with the table acting as a guitar in amplifying the sounds. Easy to use with simple control from your Bluetooth device (smart phone, laptop, tablet) allowing music or a game soundtrack to be played any time. The USB port also means you can connect your device to the table and use Henry as a power supply for charging your phone while you sit and play or eat. The Henry table has built in drawers and offers 3 different drawers to choose from.
